Description

Our Trapped Series Pocket Door is ideal for any pocket door application. Our Pocket Doors can be mounted on almost any pocket door framing system, but perfectly integrate with the 1500 Heavy Duty Pocket Door Frame Kit by Johnson Hardware (recommended).

Frame

Clean & simple, yet sleek frame design. Our aluminum extrusion frames are ideal for use in both professional or residential applications. Systems are fully finished on both sides with virtually no visible screws or fasteners. Standard frame size is three inches wide. Overall thickness is one and three-eighths inches.

Glass

All systems have a front clear tempered glass panel with a selectable tempered glass finish behind. Rear glass panel options are:

- Clear. Clear glass panel.
- Frosted. Frosted glass panel.

Trapped Material

The following types of trapped material are offered:

- Beach Dune Grass. Dried jade-colored beach grass is enclosed between two panels of tempered glass.
- Coastal Branch Stack. Light-colored coastal branches stacked and enclosed between two panels of tempered glass.
- Birch Branch Thatch. Natural-dried birch branch upright design enclosed between two panels of tempered glass.
- Ellipsed Wood Rings. Dyed wooden ribbon ellipsed rings are created from premium quality dyed wooden ribbon enclosed between two panels of tempered glass. Three color selections are available- brown, white, or black ribbon.

Frame Finish

Aluminum frames are offered in high-quality, durable anodized or powder coat finishes: Anodized Aluminum, Dark Espresso, Snow White and Knight Black. Custom powder coat colors are available.

Door Pull Hardware

Heavy-duty Flush Door Pulls or Locking Pulls available in Satin Nickel or Polished Brass finish. Door hardware installed and shipped with doors.

Framing System

Door can be mounted on almost any pocket door framing system (sold separately). For ease of installation and availability, we recommend the 1500 Heavy Duty Pocket Door Frame Kit by Johnson Hardware. These kits are the highest quality frames on the market and can be found at most fine hardware or contractor supply stores.
