Smooth™ Series Closet Door

2 Doors | 2 Lines of Track

Description

Our 2 Doors | 2 Lines of Track configuration is ideal for closet door applications. The 2 doors slide on 2 lines of QuietSlide™ Track.

Frame

Smooth Series. Simple, yet sleek frame design. Recycled engineered wood composite making it attractive for Green projects. Smooth doors are finished on both sides with no visible screws or fasteners anywhere. Standard frame is three inches wide. Overall thickness is one inch.

Interlayer

Our Interlayer Media are textured to reduce glare and hide fingerprints.

The following types of interlayer are compatible with Smooth Series:

- Standard Acrylic. 1/4" Clear Frosted or Matte White Acrylic
- Organic Interlayer. 1/4" Antique Fleur, Bamboo Dark, Banana Fiber, Grass Life, Fossil Leaf or Hydrangea eco-resin.

Frame Finish

Standard frame finishes are Dark Espresso, Snow White, Knight Black and Flat Nickel. Custom colors are available. Finished with non-toxic, zero VOC ultra-environmentally conscience paint.

QuietSlide™ Track

Overhead track suitable for surface, recessed or seamless mounting. The QuietSlide Track System ensures a smooth roll and quick installation. Aluminum extrusion with mounting holes and a design that ensures track wheels will never jump their tracks. All track hardware is included.

-Standard QuietSlide. Surface mounted, fascia included.

-Recessed QuietSlide. Recess mounted.

-Seamless QuietSlide. Recess mounted, mudding perf supplied for seamless integration into drywall.

Track Alignment

Floor guides allow for vertical alignment and extra stability of doors.

-Standard Floor Alignment. Surface mounted.

-Recessed Floor Alignment. Recess mounted, flush with floor.

-None.

Green Building

Perfect for consideration in LEED®-certified projects.

The LEED® (Leadership in Energy and Environmental Design) Green Building Rating System is the nationally accepted benchmark for the design, construction, and operation of high performance green buildings.

'LEED' is a trademark owned by the U.S. Green Building Council.

Made in the USA.
