## Pocket Door Series

### 2 Doors

(Closed)

(Partially Open)

Opening Width

Opening Height

3"

#### Description

Our Pocket Door Series is ideal for any pocket door application. Our Pocket Doors can be mounted on almost any pocket door framing system, but perfectly integrate with the 1500 Heavy Duty Pocket Door Frame Kit by Johnson Hardware (recommended).

#### Frame

Clean & simple, yet sleek frame design. Our frames are offered in aluminum extrusion or solid engineered wood core. Frames are ideal for use in both professional or residential applications depending on the look and feel desired. Systems are fully finished on both sides with virtually no visible screws or fasteners. Standard frame size is three inches wide. Overall thickness is one and a quarter inches.

#### Interlayer

The following types of interlayer are offered:

- Acrylic.** Clear Frosted or Matte White.
  - Organic Eco-resin.** Antique Fleur, Bamboo Dark, Banana Fiber, Grass Lite, Fossil Leaf or Hydrangea.
  - Glass.** Frosted, Fine, Mirror or Clear.
  - Architectural Glass.** Grid, Pattern, Grain or Linear.
- Custom interlayer options are available.

#### Frame Finish

Aluminum frames are offered in high-quality, durable powder coat finishes: Dark Espresso, Snow White, Knight Black and Metallic Silver. Wood frames are offered in high-quality, durable laminate finishes: MapleWood, CherryWood, CocoaWood, EspressoWood, Snow White, Knight Black & Brushed Aluminum. Architectural Laminates collection include: CoutureWood, OliveWood, Rattan Cane & Wenge Strand. Custom powder coat colors and laminate finishes are available.

#### Door Pull Hardware

Heavy-duty Door Pull Hardware available in Satin Chrome or Polished Brass finish. Door Pulls installed and shipped with doors.

#### Framing System

Door can be mounted on almost any pocket door framing system (sold separately). For ease of installation and availability, we recommend the 1500 Heavy Duty Pocket Door Frame Kit by Johnson Hardware. These kits are the highest quality frames on the market and can be found at most fine hardware or contractor supply stores. [www.johnsonhardware.com](http://www.johnsonhardware.com)

#### Dividers

Our doors may optionally be fitted with 1 to 5 horizontal dividers that are finished to match the door frame. Dividers are provided as a kit for site installation or factory installed. Custom divider configuration options are available.

#### Green Building

Perfect for consideration in LEED®-certified projects.

The LEED® (Leadership in Energy and Environmental Design) Green Building Rating System is the nationally accepted benchmark for the design, construction, and operation of high performance green buildings.

'LEED' is a trademark owned by the U.S. Green Building Council.

**Made in the USA.**
